Some of AMP's most recent innovative EO initiatives include:

- The opening of an AMP sponsored childcare centre (Sydney Cover Children's Centre) in August 2007
- Extension of our paid parental leave entitlement to 14 weeks
- Company-wide rollout of the Congratulations! Parental Leave Pack for all parents embarking on parental leave
- Provision of designated Carers Rooms in both CQ and Parramatta
- A greater volume of women who work flexibly
- An increasing number of senior women who work flexibly

Two employees in particular who have directly benefited from nearly all these initiatives are:

- Lesley Mamelok
- Charlotte Gee
