

Ingrid is the Managing Principal of HASSELL in Melbourne. She is a registered architect with 14 years experience in both the architectural and interior design industry. She has led teams on a large variety of hospitality, retail, residential and commercial projects.

She is experienced in project delivery, resource and consultant coordination and client liaison.

Prior to joining HASSELL she was responsible for leading the Hilton Hotel Adelaide refurbishment of public spaces. The Victoria Ballroom won the IDAA hospitality category award in 2004. Ingrid also led the interiors of the Westin Hotel Melbourne. The Westin won the "Best Overall Hotel" award at the national Australian Hotels Association Awards in 2004.

She led AGL's new 11,500m² workplace in Melbourne which was completed in July 2006. She is currently leading IAG's new 30,000m² workplace in Melbourne which is due for completion in 2008.

Ingrid is responsible for resources management within the Melbourne studio as well as leading teams on major projects.
